Mission Statement

Extraordinary achievement for all while simultaneously closing the achievement gap.

Vision Statement

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multilingual communicators and global citizens. We are a rich, culturally diverse community that values the contributions of all its members and strives to promote social justice. We exist to assist all students in their pursuit of academic achievement, strength of character, and personal growth, and to support them in their exploration of the intellectual, artistic, technological, physical and social expression.

Public Comments at Board of Education meetings:

Meetings are generally held the first and third Thursday of each month starting at 5:30pm at either the SMMUSD offices located at 1651 16th Street, Santa Monica (just north of Olympic Blvd. on 16th Street across from Memorial Park) or the Malibu City Hall located at 23825 Stuart Ranch Road Malibu, CA 90265. Meeting agendas are posted online at <http://www.smmUSD.org/board/meetings.html> the Friday prior to the scheduled meeting.

- The public may request to speak regarding an item that is scheduled for that meeting by submitting a "Request to Address" card (commonly known as a 'chit') prior to discussion of that item.

- The public may also request to speak on general topics (items that are not scheduled on that meeting's agenda) during the Public Comment segment of the meeting. This is generally held earlier in the meeting. To speak during the Public Comments section, you must submit a "Request to Address" card at the beginning of the meeting.

"Request to Address" cards, printed in both Spanish and English, are located with meeting materials just outside the board meeting room. Completed cards should be submitted to the Recording Secretary sitting next to the Superintendent (this is usually Sarah Wahrenbrock, Assistant to the Superintendent).

Public comments at board meetings, both to agenda items & general topics, are generally limited to 2-3 minutes in length, depending on how many members of the public wish to speak at the meeting.

Meet the Rent Control Board

The Rent Control Board is composed of five elected members, often referred to as Commissioners. The Board usually meets one or more times per month on Thursday at 7:00 p.m. in Council Chambers in City Hall. The agenda is posted outside the Rent Control Office, and any staff report is available for review at the public counter.

The Board encourages City residents to attend its meetings, particularly when a public hearing is scheduled. This provides the Commissioners an opportunity to hear comments on proposed regulations and programs. Commissioners also read all letters addressed to them. If a letter asks the Board to act on a particular matter, the letter may be placed on the meeting agenda.

Upcoming Meeting(s): January 12, 2017

Rent Control Agency Services

Together, the Rent Control Board and the Rent Control Agency carry out the Rent Control Law's five basic goals:

- Controlling residential rents;
- Limiting the grounds for eviction;
- Preserving rental housing;
- Encouraging maintenance; and
- Ensuring rental-property owners a fair return.

Rent Control Agency staff administer day-to-day operations, including:

- Answering questions about Rent Control Law;
- Providing information about rent-controlled properties;
- Advising how much rent may be collected for any specific rent-controlled unit;
- Providing information about and referrals to other services in the community; and
- Holding hearings regarding individual rent decreases or increases, rent overcharges, rent levels and amenities, and tenant(s) not in occupancy.

To communicate with Commissioners or Rent Control Agency staff, call (310) 458-8751 or send a letter or e-mail to the [Rent Control Office](#).
